

Closing for Good?

Here's a true story that happened to a friend's father: He was standing in line at the bank when there was a commotion at the counter. A woman was distressed, exclaiming, "Where will I put my money?! I have all my money and my mortgage here!! What will happen to my mortgage?!"

It turned out that she had misunderstood a small sign on the counter. The sign read, WE WILL BE CLOSED FOR GOOD FRIDAY. I guess Easter was not uppermost in her thoughts, because she thought that the bank was going to close "for good" that coming Friday.

Fluffy the Bunny Rabbit

A woman walks into a veterinarian's waiting room. She's dragging a wet rabbit on a leash. The rabbit does not want to be there.

"Sit, Fluffy," she says. Fluffy glares at her, and sopping wet, jumps up on another customer's lap, getting water all over him.

"I said sit, now there's a good Fluffy," says the woman, slightly embarrassed.

Fluffy, wet already, squats in the middle of the room and urinates. The woman, mortally embarrassed, shouts,

"Damn it, Fluffy, will you be good?!"

Fluffy then starts a fight with a Doberman and pursues it out of the office.

As the woman leaves to go after it, she turns to the rest of the flabbergasted customers and says:

"Pardon me, I've just washed my hare, and can't do a thing with it!"
