

## Sankheda Furniture

Sankheda furniture is world renowned for its classic traditional style & colorful designs. These lacquered furnitures are made from solid teak wood seasoned properly and treated for its everlasting life. Indian TEAK is well renowned for its strength & durability. Because of the presence of natural oil in it, TEAK is highly resistant to moisture, termite & other insects. The unique varieties of the Sankheda furnitures have occupied almost all corners of the house from living room, guest room, dining area, bedroom & sun bathroom.
