

Indian wood carving

Art Asia Imports & Exports is a genuine effort to promote the art & handcrafts of India around the globe. It was started in **2004 in Canada** with a mission to promote & develop the hidden but highly talented artists of India while also providing the culture, tradition and love of India to the people of North America, which they used to miss for years. Today Art Asia Imports is the most reputed names in all of North America for Indian traditional handcrafted furniture, beautiful swings & decors. We sincerely thank all our customers for their support & also to the team of Art Asia who has taken every effort to make this possible.

Art Asia Imports supplies traditional and ethnic Rajasthani Furniture from the online store. They are one of the leading names in Canada to buy Indian Traditional Furniture. To know more call them today at 905-963-1294.
